

Terri Hedges

Terri obtained her cosmetology license after graduating high school outside of Baltimore, MD. She sharpened her skills through a wonderful salon near her home where education inside & outside of the salon was a priority.

After meeting her husband, a captain on a sport fishing boat, Terri worked between a salon in Ocean City, MD & a salon in Boca Raton, Florida. When deciding to settle in Ocean City, MD, Terri worked at Headlines Salon for over 20 years and grew her experience, education and client base. She has attended the TIGI Academy in Manhattan, NY several times for specialty education in trendy cuts & hairstyles as well as cutting edge color & highlighting techniques.

In August of 2017, Terri joined the Salon Sixteen team as our Senior Stylist. Terri continues to be a very sought-after hairstylist with a dedicated following. In her spare time, she enjoys being with her husband & dog as well as remodeling and improving their home.

“ My love for hair and the clients that I take care of, helps me to continue to strive to be better.”
